

The DUX Axion

COMFORT IN ACTION

The DUX Axion combines the benefits of the DUX sleep system with the elevation capabilities of an adjustable bed. Its multi-layered Swedish steel springs offer the perfect combination of stability and support, while its dynamic, silent motor helps you settle into just the right height and angle. The DUX Axion comes with our Xupport Top Pad and is presented in its own storage bag

Experience The DUX Difference

SWEDISH STEEL SPRINGS

At the heart of The DUX Axion are Swedish steel springs. More springs provide better contouring for your body, reducing pressure points which can help improve circulation.

POWER TO SPARE

A 9-Volt battery enables you to return the bed to its original flat position in case of a power outage.

FINGERTIP CONTROL

The DUX Axion's elevation can be easily adjusted with an ergonomic and user friendly handheld remote control that features soft-touch night glow buttons.

EXTRA SUPPORT

The DUX Axion comes with our Xupport Top Pad. This 2.5 inch replaceable cotton covered latex top pad adds extra softness and cushioning.

NORTH AMERICAN SIZES	NUMBER OF SPRINGS	DIMENSIONS	PRICE
Twin Long 38 x 80"	620	Leg height (included with bed): 7" Total bed height (including legs): 23" Total bed height with Xupport Top Pad: 25.5"	\$6,385

The DUX Axion cannot be ordered in custom sizes. The drive mechanism comes with a 3-year warranty and the spring system with a 20-year limited warranty.
